# MIDDLE ATLANTIC GOLF TOURNEY RESCHEDULED

To Be "Patriotic" Event Played on All Local Courses.

Local Courses.

All hitches in plans for the "patriotic" event to be given under the auspices of the Middle Atlantic Golf Association, in place of the regular annual tournament, have been straightened out and Secretary Alpheus Winter announces that it will be played on June 8 and 2.

According to the plans announced, an entrance fee of \$2, or more if the entrant is so inclined, will be charged and there will be enough sixteens to include all entrants. There will be no handicap limit and as many as 600 players can be taken care of.

The event will be played on all of the local courses, each club being assigned a certain number of sixteens. On June 8, the opening day, the first and second rounds will be played, the association having decided that there will be no qualification round, the entrants to be placed according to their club handicap. The semi-final rounds will probably be played on the Columbia and Chevy Chase courses on Saturday (June 9) morning, with the finals scheduled for Chevy Chase in the afternoon.

with the finals scheduled for Chevy Chase in the afternoon.

No title will be carried in this event and the prizes will be of but small intrinsic value, the plan being to give a bronze medal of distinctive design to the winner, runner-up and winner of the consolations in each sixteen, all proceeds to be turned over to the Red Cross for relief work.
